

# Course Offerings – Summer 2018

## Fox Chapel Area Online (FCAO)

Online courses run for 5 weeks from  
Monday, June 18 through Friday, July 20

---

### FCAO College and Career Essentials

**College and Career Essentials** focuses on self-investigation, research methods, analytical skills, and post-secondary preparedness. Students will learn and practice professional verbal and written communications, interviewing techniques and follow-up correspondence, strategies for successful post-secondary job or college applications, creation of an effective personal résumé, and college and career readiness. The culminating experience is a one-on-one professional interview. Most activities are completed online with optional resume and interview workshops. .5 credits

---

### FCAO SAT Prep

**SAT Prep** prepares students by sharpening skills in all areas of the SAT as well as becoming savvy test-takers. Through a series of online instruction, online tests and practices, and instructor feedback, students develop their critical thinking strategies, build verbal competence, and enhance mathematics reasoning. In addition, students will acquire essential test-taking strategies which will help not only when taking the SAT, but in all similar test situations. All activities are completed online .5 credits

---

### FCAO Health-Wellness

**Online Health Education–Wellness** allows students to develop knowledge and skills that will enhance their wellness while preparing them to make wise behavior choices throughout life. This is a required course for graduation from FCAHS. It meets the PA State Standards for Health, Safety, and Physical Education. All activities are completed online. .5 credits

---

Also being offered this summer for incoming 10<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup> grade students:
