

FOXCHAPELAREA DISTRICT FORUM

Public Meeting, April 24, 7 p.m. LGI Room at the high school

Exploring the Start School Later Movement: Pros and Cons

Come learn more about the national trend to start middle and high school later in the morning. A panel of experts in sleep, medicine and school administration will be on hand to answer questions.

Panelists:

- ◆ **Peter Franzen**, PhD, Assistant Professor in Psychiatry, University of Pittsburgh School of Medicine, expertise in sleep and sleep disorders, affective neuroscience, adolescent development
- ◆ **Hiren Muzumdar**, MD, Associate Professor, University of Pittsburgh School of Medicine; Director, Pediatric Sleep Evaluation Center; Fellowship Director, Pediatric Pulmonology, Children's Hospital and FCASD parent.
- ◆ **Jennifer Romero**, MD, pediatrician and FCASD parent
- ◆ **Michael O'Brien**, Athletic Director, FCASD
- ◆ **Daniel Breitreutz**, Director of Ancillary Services, FCASD
- ◆ **Elizabeth Rambeau**, W. PA Chapter Leader, Start School Later & FCASD parent

Open to all parents and residents of FCASD. Children welcome.
